Dear James,

As a fellow University and College Student
may I wish you the very best at your studies
and your stand for true democracy at your
university. You have the courage of your
convictions strongly behind you and appear
to have the personal convictions that the
United States needs to present to the rest of
the world.

Your experiences would be impossible
to parallel in New Zealand and though I
don't pretend to understand your position
entirely my experiences as an exchange
Student to the United States do allow me
some understanding of your efforts. Most
sincerely I wish you the very best. May
God's blessing be yours.

Sincerely,

Dawn Ingram
